

Outdoor Games

Here are some specific games you can try:

- **Scavenger Hunt:**
Before the hike, create a list of natural items for hikers to find (e.g., a smooth rock, a red leaf, a pinecone).
- **I Spy:**
One person spots an object and says, "I spy with my little eye something..." (and adds a descriptive clue, like color).
- **Twenty Questions:**
One person thinks of a person, place, or thing, and others ask yes/no questions to guess it.
- **Alphabet Game:**
Choose a category (like animals or plants) and go through the alphabet, naming items within that category.
- **Nature BINGO:**
Create BINGO cards with nature-themed images or words, and mark them off as you spot them on the trail.
- **Trail Hide and Seek:**
One person hides along the trail while others seek them.
- **Count Them All:**
Choose a specific item (e.g., a certain type of tree, a specific bird) and count how many you see along the way.
- **Hide a Friend:**
Bring a small toy or stuffed animal and hide it along the trail for others to find.
- **Predator-Prey:**
One person is the predator (e.g., a fox) and the other is the prey (e.g., a rabbit), and they move through the trail as the "hunt".
- **Follow the Leader:**
One person leads the way, setting the pace and direction, and others follow.
